SIR,

RE ENHANCED CONVEYANCE ALLOWANCE TO THE HEALTH OFFICER, CORPORATION ENGINEER AND LICENSING OFFICER OF THE CORPORATION

Adverting to your letter No L 17422/C M 1-52-53 dated 12-1-1953 stating that the proposal of the Corporation to grant enhanced conveyance allowance to the Health Officer, Corporation Engineer and Licensing Officer of the Corporation does not commend itself to Government, I write to state that when this letter was placed before the Corporation on 28-3-1953, the opinion of the House was that giving enhanced rate of conveyance allowance was within the competency of the Corporation and that Government should have given reasons for turning down the resolution of the Corporation, as contemplated under section 47 of the Act They have finally resolved re-iterating their previous resolution of 14-5-52 enhancing the present rate of Conveyance allowance to Rs.175/- per month to the Health Officer, and Corporation Engineer and Rs.125/- p m to the Licensing Officer from 1-4-52 A copy of the entire proceedings in this behalf is herein enclosed for reference

In this connection it may be stated that the price of petrol, registration and license fees etc of the motor cars have been increased, thereby increasing the cost of maintenance of the cars, and it is not possible for these officers to do full justice of their duties on the present rate of conveyance allowance they are drawing And the Government have already conceeded

this in the case of the Corporation Engineer, Sri M H Manchigiah, whose conveyance allowance has been fixed at Rs.175/- p m in their order No Ch S 34-38/G E 187-52-2 dated 2-4-1953, and it only remains for them to sanction enhanced conveyance allowance to the Health Officer and Licensing Officer

In these circumstances, I request that orders of Government may be kindly obtained to the resolution of the Corporation of 14-5-1952

Forwarded with compliments,

(P HANUMANTHIAH,)
MAYOR

Yours faithfully,

(K HONNURAPPA,)
COMMISSIONER

Extract from the Proceedings of the Adjourned Meeting of the Corporation of the City of Bangalore, held on 28th March 1953

---

68 Letter No L 17422-C M 1-52-52 dated 12th January 1952, from the Secretary to Government, Local Self Government Department, that t proposal of the Corporation to grant enhanced rate of conveyance allowance to the Engineer, Health Officer and the Licensing Officer of the Corporation does not commend itself to Government and the Commissioner's note thereon

Sri A Chengalroya Naidu moved the following resolution -

"Resolved that the previous resolution of the Corporation dated the 14th March 1952, to enhance the conveyance allowance of the Corporation Engineer, Health Officer and Licensing Officer by Rs.50/- each per mensem from 1st April 1952, be reiterated "

Sri M Jayaseelan seconded the resolution

Sri B V Lankappa observed that while reiterating their previous resolution they should point out to the Government that such negative replies without assigning any reasons contrary to the provisions of the Act would not be desirable It had become a common feature on the part of the Government to send negative replies and turning down the resolution of the Corporation They should therefore draw the attention of the Government to the provisions of the Act under Section 47, 89 and 90 whereby the Corporation was competent enough to sanction such allowances He suggested that an extract of proceedings relating to this suoject be forwarded to Government

Dr Sreekanteswar said that while recording the letter of Government and reiterating their previous resolution, they should express to the Government in clear terms their deep regret at the attitude of the Government and write to them that there was no meaning in saying that the proposal of the Corporation did not commend itself to Government

Sri V P Deenadayalu Naidu enquired whether the Government had given the reasons for stating that the proposals of the Corporation did not commend itself to Government

The Commissioner replied that no reasons were given

Sri V P Deenadayalu Naidu pointed out that under the provisions of Section 47 of the Corporation Act, the Government should communicate to the Corporation the ground on which they had turned down the proposal and should also give the Corporation an opportunity to voice their views in the matter They should write to the Government and tell them that the procedure followed by them was not in conformity with the provisions of the Corporation Act The letter received from the Government should not be recorded and the Corporation should record their protest in the matter The Corporation had got powers to sanction the increased rate of conveyance allowance to the Health Officer and the Licensing Officer As regards the Corporation Engineer, they must ask for the sanction of the Government

Sri A V V Ram pointed out that the word "does not commend itself to Government, gave the reasons

Sri V P Deenadayalu Naidu once again pointed out that he was opposing the idea of recording the letter received from the Government

The Commissioner replied that under section 47 of the Act the Government should no doubt assign reasons while cancelling any resolution of the Corporation But sanction of Government was necessary in case of any variation either in salary or allowance

The Mayor then put the resolution moved by Sri A Chengalroya Naidu to vote and it was passed
